PERSPECTIVE . INSIGHT . CLARITY .

You get one shot to impress potential employers.  
Will your resume, cover letter and initial interview reflect  
your UNIQUE skills and talents?

**Introducing Your Hiring Partners' new  
*Job Search Advantage Program* –  
let us help you put your best self forward!**

We look at hundreds of resumes every week – the good, the bad and the ugly. We also look at hundreds of cover letters – some good some bad. Many times, even though given the opportunity, applicants fail to include a cover letter.

If you are frustrated with your job search, if you wonder why you aren't hearing back even though you feel that you are qualified for the jobs that you are applying for, perhaps it is time to review your resume (and cover letter).

At YHP, we know a good cover letter and resume when we see them. When our attention is peaked, the applicant is given additional attention. While not a guarantee of an interview or of getting the job, at least you beat the odds and stand a better chance of making it to the next stage.

Our new *Job Search Advantage Program* is designed to help you present yourself in the most advantageous way. Choose from the following menu of services:

- 1) **Resume Review & Update** – we will edit your current resume to improve the look and the content. We'll ask you a few questions about your overall goals and tailor the resume accordingly. **Cost - \$200**
- 2) **Cover Letter Review & Update** – we will edit your current standard cover letter to show you in the best possible light. We'll ask you a few questions about your overall goals and tailor the cover letter accordingly. **Cost - \$100 (\$250 for 1 & 2 together)**
